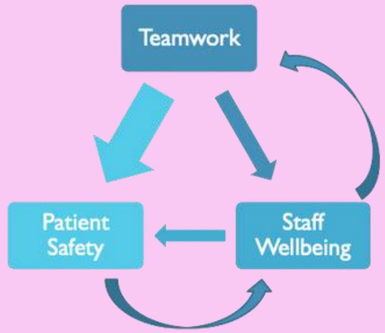
THE GROUPING GRID

An Innovative method to facilitate building relationships amongst team members.

Dr Emily Langford & Mr Sunjay Jain
Leeds Teaching Hospitals NHS Trust

DISCOVERY



DREAM

To create an **inclusive** half day workshop that facilitated **building relationships** amongst all team members regardless of rank or role.

DESIGN

Grouping Grid

↓

Each attendee given unique code

↓

Facilitating different groups for each activity

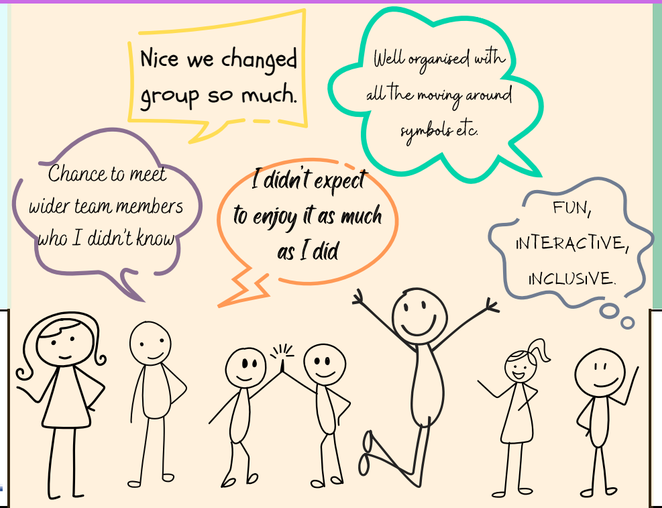
DESTINY

42 attendees

↓

25-26 different interactions each

0-1 overlapping interactions

100%


The workshops enabled me to build relationships with colleagues
